HP STEAM SYSTEM

Boiler / HRSG Vents and Drains	Before and After Seat Drains
Superheat Attenuator	Reheat Attenuator
HP and IP Bypass Stations	Drum Level Gauges
Level and Pressure Control Valves	Control Valve Trim Kits

FEEDWATER SYSTEM

Feedwater Control Valve	DA Level Gauges
-------------------------	-----------------

CIRCULATING / COOLING WATER SYSTEM

Condenser Isolation Valves	Cooling Tower Isolation Valves
----------------------------	--------------------------------

WATER MAKEUP / FILTRATION

Butterfly Valves	Ball Valves
Diaphragm Valves	Check Valves
Control Valves	

AMMONIA AND CHLORINE SYSTEM

Gate, Globe, Check, and Butterfly Valves

NATURAL GAS FUELS SYSTEM

Ball and Butterfly Valves	Control Valves
---------------------------	----------------

COMBUSTION TURBINE

CT Water Wash Drain Valves	Compressor Bleed Isolation Valves
----------------------------	-----------------------------------

SOLID FUELS

Pulverizer Isolation and Pyrites	Burner Isolation Knife Gate Valves
----------------------------------	------------------------------------

ASH SYSTEM

Bottom Ash	Fly Ash
Economizer Ash	HP Ash Water Valves

SCRUBBER

Slurry Control and Isolation	Ball Mill Valves
Mist Eliminator Valves	Ceramic Lined Valves, Piping, and Hose

FEATURED MANUFACTURERS

Resilient and Metal Seated Butterfly Valves
High Performance Butterfly Valves
Triple Offset Butterfly Valves

Attemperators, Feedwater Control Valves
Automatic Recirculation Valves
HP and IP Bypass Stations

Pneumatic Quarter Turn Actuators
Springless Fail Safe Design
Solenoids, Limit Switches, and Lockout Devices

Remanufactured Control valves using OEM parts
Fisher, Masoneilan, Valtek and others
Remanufactured Positioners

Severe Service Metal and Graphite Seated Ball Valves
Special Service - Chlorine and Ammonia Valves
Stainless, Duplex, Inconel, Hastelloy, and other alloys

TrimKits for Severe Service Control Valves: HRH/HP Bypass, FW Recirc
In-Line Valve Service: Machining, Welding, Stellite Repair
Valve Component Reverse Engineering & Remanufacturing

Drum Level Gauges to 3000 psig
Mag Level Gauges for DA, FW Heaters, and Condensate Tanks
Glass, Gaskets, and Probes for most competitive products

Forged Gate Valves, Globe Valves, and Check Valves
Y-Pattern, T-Pattern, and Angle Globe valves
A105, F22, and F91 available to class 4500

OTHER SPECIALTIES

Knife gate valves, pinch valves, diaphragm valves, slurry valves, check valves, dampers
Limit switches, solenoids, positioners, manual overrides
Manual, Electric, Pneumatic, Hydraulic, and Electrohydraulic actuation
